

## Open Road Racing Rookie Training Meeting

The next rookie training meeting is taking place on Saturday 3/27/10 @6:00 pm at Wade & Diane Morris' home - it's located at 1303 Woodridge Circle Euless, Texas 76040.

Everyone is invited - old racers - just thinking about it racers -rookie racers - it's fun for all.

Just BYOB of whatever you want to drink and bring snacks to share with everyone.

We'll all be working on teaching the "rookies" how to race - you will love it ... bring your wife or whoever you will be using as your navigator ... the meeting is really fun and since we were all rookies at one time or another (I think we still are) everyone really tries to help everyone else.

Be sure to print out & bring your course notes, clip boards & watches.

I am sending the course notes spread sheet out under another email coming later, yeah the next race is upon us.

If you need anything else .. Just holler ..
